To Whom It May Concern:

I am writing this letter to express my total pleasure and satisfaction in having chosen your firm to represent me after my accident. I can't say enough about the feeling of comfort and security that I felt from the time that I walked into your office, beginning with my initial contact with Ms. Sarah Salisbury. Those feelings were elevated even further when I was put into the hands of Attorney Bob Lubitz. He was very thorough in preparing me for the deposition conference and was able to ease my anxiety and calm my nerves very skillfully. But above all, it was my observation during these depositions that Mr. Lubitz was the dominant attorney and in complete control. His attention to detail and his level of expertise was extremely impressive. I also am very appreciative that every time I had a question, both Ms. Salisbury and Mr. Lubitz would return my calls and answer my inquiries in a prompt and efficient manner.

As a result of my experience with your firm, I would not hesitate to highly recommend the firm of Kantrowitz, Goldhammer & Graifman to my friends, colleagues and family members. I commend you and your staff on the quality and level of your service.

Sincerely,

Lincoln C. Cabrera
